Growing, Loving, Serving

Creation! Create! What has God created that is our neighbor? Draw a bug that God has created! Ladybug, centipede, butterfly, cricket.

Don't forget to tell Kelsey you've participated so she can come by and take photos!

Sacred Space

You have got the space, the place, and the covering. Now let's get adding! **Each** family member should bring something to the sacred space this week. This week, please bring something from nature that reminds you of God's great creation. It can be a flower or a rock. Grass or a little bit of rain in a bottle. We are bringing a little bit of God to your sacred space this week.
