Growing, Loving, Serving

This week, we are defining who our neighbors are. Draw a person or two. And draw who you think our neighbors are. You can draw on construction paper and put on your front window OR you can draw on your sidewalk with chalk!

Either way, don't forget to tell Kelsey you've participated so she can come by and take photos!

Sacred Space

You have found the space! Now let us create something sacred. Bring a cloth to the table (or windowsill or bench or whatever place you have chosen). This cloth should mean something special to your family. Maybe something from a grandparent or a baby blanket. A cloth that brings memories of God's love.
