Growing, Loving, Serving

Creation! Create! What has God created that is our neighbor? Draw an animal that God has created! Anything but a bug!

Don't forget to tell Kelsey you've participated so she can come by and take photos!

Sacred Space

You have got the space, the place, and the covering. Now let's get adding! This week, please bring something someone created that reminds you of God's love. It can be something the whole family worked on or something given to you by a friend or family member.
