## Growing, Loving, Serving

Go for a walk with your family! On your walk, pick up a piece of nature (that is already on the ground). It could be rocks or leaves and a little bit of dirt. Take this item(s) and make something pretty on your sidewalk or front porch! Draw in the mud, make a scene from pebbles.

Don't forget to tell Kelsey you've participated so she can come by and take photos!

## Sacred Space

Take your rocks from last week and wipe away what you prayed for and write something new. Then, before you go to bed each night. Head to your sacred space and pray over all your rocks.
