Growing, Loving, Serving

Lions, Tigers, and Bears... oh my! Actually, it's more like trees, flowers, and plants... oh my! Take a few leaves and grass from your yard and put it under a piece of paper. Start coloring over to create some cool art! Then hang it up for the world to see!!

Don't forget to tell Kelsey you've participated so she can come by and take photos!

Sacred Space

This week add to your sacred space a rock or two. Bring some chalk as well and each week, write on the rocks anything that is weighing you down like a friend is sick or people that are hurt. Each week you can either add to the rock or erase last weeks and write the next weeks. As you write them down, pray to God all your burdens that God helps lift them off your heart.
