Growing, Loving, Serving

This week we are learning about police officers. Draw a badge and what protects you like Jesus (so you can then draw a cross in the badge). Do your pets protect you or your parents? Hang your badge on your windows for all to see!

Please remember to let Kelsey know that you are participating so she can drive by and take photos to show off your drawings!

We Are Family

Sacred Space

For the rest of our time together this summer, we will be learning about crisis workers as our neighbors. For this week, we are learning about the police. Grab your prayer rocks from a couple weeks ago. This week we are going to pray for everyone that protects us from Police, to fire, to family, and friends, and Jesus. Write on your rock a person or group you want to pray for safety for the week.
