APRIL 25TH – MAY 1ST, 2021

Today's Bible lesson is The Holy Spirit!

The Trinity is composed of God, Jesus, and the Holy Spirit. The Holy Spirit is the lingering of God and Jesus here on earth, after Jesus leaves earth to be with God. The Holy Spirit guides us to and with God. It is here, it is there, it is everywhere! It fills us up!

Watch The Night at the Museum

Larry becomes a night watchman at the American Museum of Natural History. He learns after his first night on duty that the museum comes to life at night. This is such a cool way to think about the Holy Spirit!

The Holy Spirit is like the magic that brings the artifacts to life at night. It moves through each and every thing in the museum. The Holy Spirit doesn't control us our our decisions but it helps us bring God's love and light to life in us.
